Humourous Irish greetings cards....

These fun cartoon animal cards are designed and printed in Ireland. The range consists of 10 designs which stand alone or will compliment each other on any display. These cards are printed on 350gms matt board with gloss lamination to the face side and all come complete with a quality matching colour envelope and cellophane wrap for added protection. The 'wiggle eyes' are a unique selling feature and add more humour and appeal to the designs. They are unsuitable for children under 36 months due to the small parts.

Reasonable rates for retail outlets and bulk orders.

About the designer....

Louise has designed many different bespoke cards for wedding stationery but this is Louise's first retail card range. Louise McGinty has over 15 years experience in graphic and packaging design, working as a senior designer in top agencies in Liverpool, UK and Dublin, Ireland. Her family is from Achill Island, Co. Mayo but she grew up in Merseyside, England.

She now runs her own freelance graphic and packaging design company - Impack Design and is based in Castletknock, Dublin. and divides her time between Dublin and Mayo.

If you would like to place an order please call or email.
